

Message from Den Norske Fiskeklubben Skipper;

Dear Fish Club Members and Friends,

When the Fiskeklubben was Chartered in 1995, it was envisioned as a traditional Nordic Men's Fish Club where Nordic men in the San Diego area could join together and share Norwegian and Scandinavian Culture and camaraderie. Over the years we have experienced many interesting speeches from both members and guests. When we first started many of our fish were caught in the waters off Seattle and flown to San Diego where it was served that night! Today much of the fish we enjoy are from sustainable fish farms. Our meetings are held in English but you will hear Norwegian being spoken also. We enjoy a fish dinner, toasts with fine Aquavit and some of the best speakers you will ever hear.

While many of you were on vacation to the Nordic Countries and many other places, the fish club officers have been busy looking for interesting speakers to add that special spark to our meetings. This Fall is no exception. The elegant Bay View Restaurant continues to be the best venue for our dinners and from the restaurants vantage point you can see the waters of San Diego Bay.

Our Membership is comprised gentlemen from diverse backgrounds- medical, engineering, law, business, government, military and many more. I know many of you have had adventures over the summer and others have been doing research on scientific and historical topics, if so please contact our Program Director, Carl Larsen.

Membership is by invitation only, guests of members are welcome provided they are registered by a club member. We do not have a membership officer since our members sponsor all new members. The club's membership will not exceed 80 members to keep the club small and friendly.

My thanks to our web master Steve Rawlinson for setting up our website at : www.fiskeklubben.org, to find out more about Den Norske Fiskeklubben I San Diego, check out our site.

Please mark your calendars and RSVP at fishclub@cox.net for our next dinner which will take place on September 8th 2017.

Philip Hinshaw is our Navigator and Maury Lee is our Purser. Our Governing Board is directed by CEO Al Johannesen with members; Dr. Sig Stautland, Erling Nyhammer and yours truly.

I am looking forward to seeing all of you again on September 8th at the Bay View Restaurant.

Skål ! James
