Dear Fish Club Members and Friends,
When the Fiskeklubben was Chartered in October, 1995, it was envisioned as a traditional Nordic Men's Fish Club where Nordic men in the San Diego area could gather and share Norwegian and Scandinavian Culture and camaraderie. Over the years we have experienced many interesting speeches from both members and guests. When we first started many of our fish were caught in the waters off Seattle and flown to San Diego where it was served that night! Today much of the fish we enjoy are from sustainable fish farms. Our meetings are held in English, but you will hear Norwegian being spoken also. We enjoy a fish dinner, toasts with fine Aquavit and some of the best speakers you will ever hear.

The elegant Bay View Restaurant continues to be the best venue for our dinners and from the restaurant's vantage point you can see the waters of San Diego Bay. Since we met last some of you have changed your personal information such as your address, preferred email, significant other, and phone number, please update our information at the September Meeting. If you have not picked up your Fish Club Coffee Cup, one will be waiting for you at the next dinner.

My thanks to our web master Steve Rawlinson for setting up our website at: <http://www.fiskeklubben.org>. This website is highly relevant and updated with the latest fish club information.

Please mark your calendars and RSVP to: fishklub@yahoo.com for our next dinner which

will take place on September 3rd 2021. Happy Hour is at 6:00-7:00 PM. Dinner begins at 7:10. Please RSVP by August 21st! The fall dinners schedule is: October 8th, November 12, and December 10th, 2021. Charles Kerns is our Navigator and will ensure that the dining area is ready. Our Governing Board lead by CEO Jon Homerud and board members; Erling Nyhammer, Frank Steensnaes, and yours truly will discuss any new business. Our Musician is Ron Griffen. I am looking forward to seeing all of you again on September 3rd at the Bay View Restaurant. Attached is a map of the MCRD base with locations of access Gates. (The Washington Street Gate is open 24/7.) The second attachment are possible items for discussion at the business portion of our dinner.
